

Samuel Allsopp Nursery and Primary School

Child Friendly Safeguarding Policy

Written by the School Parliament May 2024

Our school is a kind and happy place, its calm and a place for learning.

We are a school where everyone has the right to feel **SAFE**; the right to **LEARN**, where children do not get distracted and the right to **RESPECT**.

We think Safeguarding is...

All of the grown-ups in school looking after us.

We want the grown-ups in school to:

- ✓ Always supervise us;
- ✓ Look after us and keep us safe;
- ✓ Teach us how to be safe in school and at home;
- ✓ Check everywhere is safe for us to play;

We can help look after ourselves by:

- ✓ Following the school rules
- ✓ Telling a grown up if something is worrying us
- ✓ Being kind and looking after each other

Who we can talk to...

We can talk to any grown-up in school, but

Mr Smith

Mrs K-E

Miss
Simpson

Mrs Arif

Mrs Burrows

are ALWAYS there for us- we can tell them what's worrying us.

Write it down

If we don't want to speak to a grown-up we can write it down and post it in the worry box in class. Our class teacher will then talk to us and help us

You can also phone ChildLine on **0800 1111** who will listen to you and give you help and advice.
